

# COVID-19 Research Study

## Have you tested positive for COVID-19 in the last 2 days?

**A research study is evaluating an investigational medication for people with COVID-19.**

This research study may be an option if you:

- Are at least 18 years of age
- Have tested positive for COVID-19 in the last 2 days
- Have experienced COVID-19 symptoms for less than 7 days
- Have not been admitted to the hospital due to COVID-19

Other criteria apply.

Qualified participants will receive all study-related care and study medication. Financial reimbursement may also be provided for time and travel expenses.
